

Lizerna Citro

Neutralizer on the basis of citric acid

- Properties:**
- a reliable neutralization is ensured - independent of the water quality
 - leads to stable, neutral pH-values in the laundry
 - prevents the formation of yellow stains, even in case of storing damp textiles
 - the product is free from troublesome smells
 - suited for all washing processes

Application: Addition to the last rinsing bath - depending on the alkalinity of the washing process:
0.5 - 2.0 ml/kg dry garments (0.08 - 0.30 fl.oz/10 lbs)

Technical Data:

Density 20 °C (68 °F)	1.23 g/ml
pH-value (1%)	2.0 - 3.0

Hints:

Storage

Lizerna Citro is not sensitive to frost but it should not be exposed for a longer period to temperatures below 0 °C (32 °F). After partial taking out close the packing unit tightly again.

The product can be stored for at least 24 months in its original sealed packing.
